Dear Mr. Argenio

Please be advised that with this letter the Applicant for Apple Ridge Estates is granting an extension to the Town of New Windsor Planning Board regarding the 62-day requirement for Planning Board Decision on Preliminary Subdivision Approval. It is the hopes of the Applicant, that they will address the technical comments within that time, but should circumstances arise that impact the schedule, the Board has no requirement to act.

Thank you for your attention to this matter. Should you have any questions, please do not hesitate to call our office.

Very truly yours,
